

Dear JENGBA

Fantastic outcome on the 18th at Supreme Court. It was my birthday the 19th (next day). I'm still a little bit 'shell shocked' by it all but it is now sinking in. It's been a long hard road so far and still a bit more to tread. Now for the 'appeals' and putting things 'right'. Everybody knows this will not happen overnight. I have spoken to Simon and I told him that you have all been amazing. Him on the Legal side of things with the other Legal reps and yourselves and the other campaigners for sheer determination and drive to show injustice and push to change it. Hopefully we are all now on to the last leg of the journey.

We have all fought from different sides, campaigners from the outside and prisoners from the inside, but all on the same side. All any of us ever really wanted was fairness. Hopefully, now we will have it. Thank you JENGBA for having the Guts to take on the fight. You are a legend.

18.02.2016 A SIGNIFICANT DAY IN HISTORY. TOGETHER WE ARE STRONGER. AS ALWAYS IN SOLIDARITY
